TRUMPET NATURALIZING MIXTURE

As a result of our constant experimenting with bulbs we have found certain varieties appear exceptionally well together. Our Trumpet mixture is a blend of highest quality trumpet Narcissi . . . not a collection of discards but an expertly planned scatter mixture, for your spring enjoyment.

SHORT CUP NATURALIZING MIXTURE

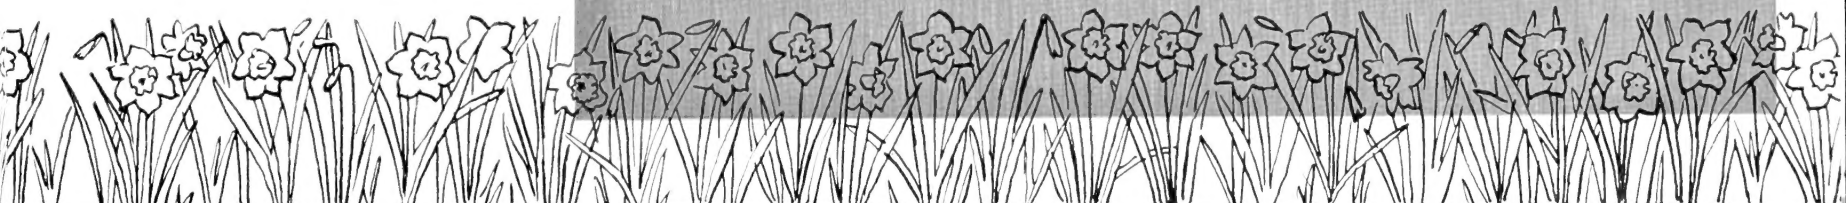

This special mixture affords you a wide range of top grade, short cup Daffodils . . . not just a few select varieties for the same amount of money. Scatter them freely, they will multiply and spread for many years.

WIDE SELECTION OF OUTSTANDING BULB VARIETIES

SUPERB SPRING FLOWERING

imported Tulips

Every bulb in our nursery is carefully selected for superior quality, hardiness of variety—luminous color—beautiful flower form. Of course, all are imported from Holland!

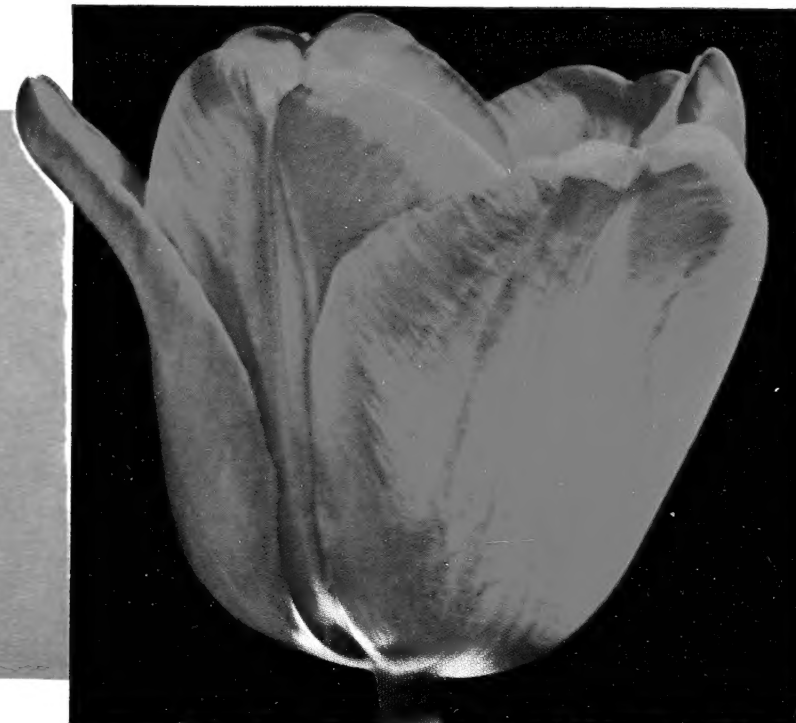

There are many sizes in Tulips—all our bulbs are 12 centimeters or over to insure uniform growth and full flowering. You plant them in the fall, and in the spring, your garden will be the beauty spot of the neighborhood.

Remember—there is nothing you can plant which will give more pleasure and beauty for less work and less cost than our Holland grown bulbs.

10 FOR **\$1.10** 100 FOR **\$9.45**

**For all Tulips on this page except where individual prices are listed.*
